

Savage Garden, Universe

Well I want to take you as I find you
Imagine our clothes are on the floor
Feel my caress so soft and gentle
So delicate you cry for more
But you know baby
You know baby does it right
And you know baby does it right

[chorus:]

Universe inside of your heart
You gotta let me know
so you can be free baby
You wanted it so much,
and now that it's over
You don't know what you want

Put time in a capsule
Two minds consensual
Entwined to perfection
If we could...

Cuddle up close
Lay on my chest now
Listen my heart beat's coming down
If you get tired you close your
eyes now
When you wake up I won't be found
'Cause I know baby
I know you're the nervous kind
With so much going on in your mind

[chorus]

But let me tell you that, this time,
I'm gonna make you mine
(I won't let you go)
'Cause I know, this time
I'm gonna make sure I look out
for me

'Cause you know baby
Well you know baby does it right
And you know baby does it right
You will only end up lost in loneliness
And wake up with the words already
on your lips
So I'll let you go, baby
So I'll let you go...

[chorus]
