

# Savatage, Wishing Well

Take off your hat, kick off your shoes  
You know you ain't going anywhere  
You spend all your time singing your blues  
You know you ain't going anywhere

You've always been a good friend of mine  
Your heart it bids farewell  
The only time you're satisfied  
Is with your feet in the wishing well

Throw down your gun, you might shoot yourself  
Or is that what you're trying to do?  
Put up the fight you believe to be right  
And one day the sun will shine through

You've always got something to hide  
Something you just can't tell  
The only time you're satisfied  
Is with your feet in the wishing well, yeah

You know what you're wishing for  
Love in a peaceful world  
Love in a peaceful world  
Love in a peaceful world, yeah

You've always been a good friend of mine  
Your heart it bids farewell  
The only time you're satisfied  
Is with your feet in the wishing well, yeah

No, everybody has a dream, yeah  
Oh no, no, no, oooh  
I wish you well, yeah  
I know, know  
All you're looking for is love
