## Save Ferris, What you see is what you get

| Here's a little story that I have | e to tell About somet | oody that I thought I | knew real well It seem | s lately |
|-----------------------------------|-----------------------|-----------------------|------------------------|----------|
|                                   |                       |                       |                        |          |
|                                   |                       |                       |                        |          |
|                                   |                       |                       |                        |          |
|                                   |                       |                       |                        |          |
|                                   |                       |                       |                        |          |
|                                   |                       |                       |                        |          |
|                                   |                       |                       |                        |          |
|                                   |                       |                       |                        |          |
|                                   |                       |                       |                        |          |
|                                   |                       |                       |                        |          |
|                                   |                       |                       |                        |          |
|                                   |                       |                       |                        |          |
|                                   |                       |                       |                        |          |
|                                   |                       |                       |                        |          |
|                                   |                       |                       |                        |          |
|                                   |                       |                       |                        |          |
|                                   |                       |                       |                        |          |
|                                   |                       |                       |                        |          |
|                                   |                       |                       |                        |          |
|                                   |                       |                       |                        |          |
|                                   |                       |                       |                        |          |
