

# Saves The Day, For Me And You Both

I'm singing this song while I'm sitting here, waitin' for your call  
you know who this song is bout, its all about you,  
you and your perfect smile and your perfect hair

The way you talk  
The way you make me feel  
It's the way you walk  
That got my hopes up high, yeah

I think that you've got me thinkin'  
that we could make it all the way, I think I drank to much last night  
I just cant get you out of my head,  
just you and your perfect smile your perfect hair

The way you walk  
The way you make me feel  
It's the way you walk,  
That got my hopes up high, oh yeah

The way you walk, the way you talk  
The way you are..just so perfect for me  
your perfect smile, your perfect laugh  
your perfect unlike me

I think we good to go So get into my car  
we are perfect for each other, yeah  
perfect , thats me and you both

this song that I'm singin' now, thats almost over,  
that song was for you and me both brooke, oh yeah
