

Saving Jane, Happy

Filling up my empty days with red wine
Wonder what you think of me?
Lying in the grass alone and wasted
Nothing's how it used to be
I wanna be the first to call and tell you
Yesterday I heard the news
I hear you oughtta be congratulated
So I guess that's what I'll do
I'm so happy for you
I could cry
Yeah, I'm so elated
Cross my heart and hope to die
I don't think about you every night
Before I close my eyes
I'm so happy for you baby,
I could cry.
Listen to the sound of my head pounding
Wish that it was make-believe
Praying for the skies to open up and
Wash away your memory
I can walk around with a pretty face on
Even when I'm black and blue
What's the point in telling everybody
I'm not over you.
I'm so happy for you
I could cry
Yeah, I'm so elated
Cross my heart and hope to die
I don't think about you every night
Before I close my eyes
I'm so happy for you baby,
I could cry.
Cry about the love we used to have
Cry that I won't ever get you back
Filling up my empty days with red wine
Wonder what you think of me?
I'm so happy for you
I could cry
Yeah, I'm so elated
Cross my heart and hope to die
I'm so happy for you
So, so happy for you
I don't think about you every night
Before I close my eyes
I'm so happy for you baby,
I could cry.
