

Savoy Brown, Tell Mama

(Simmonds/Raymond-Chrysalis Music Ltd.)

Quit my job, aint got no money
Seems I have to leave this town
Packed my bags, run to the station
Board the train thats eastward bound

(chorus)

Tell Mama
And all the folks back home
Sometimes a man just feels
He's got to make it alone
Tell Mama
Why I'm leaving so soon
Because this life I live
Has got me sick through and through

Nothing to do, thats why I had to go
Seemed no use in hanging round
I can't stop now, the tickets in my hand
Board the train thats eastward bound

(chorus)

Quit my job, aint got no money
Seems I have to leave this town

(chorus)
