

# Saybia, Guardian Angel

Do you remember?  
the laughter and the joy  
do you remember?&lt;br&gt;  
Do you remember?  
driving in our car  
do you remember?  
swimming in that lake  
just the five of us  
against the rest of the world&lt;br&gt;  
Guardian angel left us bleeding  
Guardian angel left us screaming  
Guardian angel?&lt;br&gt;  
Do you remember?  
fireworks by the sea  
Do you remember?  
the exact time we went dry on gasoline  
just the five of us  
against the rest of the world&lt;br&gt;  
Guardian angel left us bleeding  
Guardian angel left us screaming  
Guardian angel?&lt;br&gt;  
Do you remember?
