

# Scabs, Tracy

I don't know if I can make you mine  
I don't know for sure if love is blind  
Have a heart girl, let me spoil you once for a day  
You may be smart, you've got the brains  
But I've got adrenaline in my veins  
If you want to, I could try to make you stay  
We can do things you like to do  
Go see a play and a movie too  
We could stop for a takeaway  
And if you don't have fun  
You could walk away  
But if you do  
You'll miss what I have to say  
I said Tracy, come on Tracy  
You could love me if you try  
I wanna sleep with you tonight  
I may be dumb, but then I ain't no troglodyte  
Sometimes you make me wonder why  
Sometimes I think it's do or die  
Let me show you, why don't you give me a break  
I see that you're having second thoughts  
You look at the roses that I bought  
I hear you sigh which means that you don't really know what to say  
We can do things you like to do  
Go see a play and a movie too  
It'll be like a holiday  
And if you don't have fun  
You could walk away  
But if you do  
You'll miss what I have to say  
I said Tracy, come on Tracy  
You could love me if you tried  
I wanna sleep with you tonight  
I may be dumb, but then I ain't no troglodyte  
We can do things you like to do  
Go see a play and a movie too  
Or go to a cabaret  
And if you don't have fun  
You could walk away  
But if you do  
You'll miss what I have to say  
I said Tracy, come on Tracy  
You could love me if you tried  
I wanna sleep with you tonight  
I may be dumb, but then I ain't no troglodyte  
I said Tracy, come on Tracy  
You could love me like I am  
You know that I don't give a damn  
About your friends making fun of me for the way I am
