

Scanner, Rubberman

Course: Straight ahead
There's nothing that can stop me now
Born again that's how I feel I'm on the run
I ride the wind, the height of the storm
I defy always changing form

Don't worry, stay cool
There ain't a rule

Rubberman
Body an soul
Rubberman
Play a role
Rubberman
Set the spirit free
Rubberman
You and me
We are a perfect team

I'm one of those
Who can be down but stuck out
Be what you are
No matter what they say but: BE IT !

Don't worry, stay cool
There ain't a rule
