

# Scars On Broadway, Chemicals

Well I Smacked Your Face  
You Fell In Love  
When I Said Fuck Your Mom  
I Looked At You  
Said It's All Over  
I Turned Around And Walked Away  
And You Just Grabbed My Arm  
I Look At You Said  
I Can't Stay Sober

Come Eat Some Chemicals With Me  
Come Eat Some Chemicals  
Come Eat Some Chemicals With Me  
Come Eat Some Chemicals

Madness  
Feeling Scared  
Looking Around And Nobody There  
When I Say Fuck The World Lets Get Ready To Rock  
As I Piss On Your Face While You Suck On My Cock

Madness  
No One Cared  
Looking Around And Nobody There  
When I Say Fuck The World Lets Get Ready To Rock  
As I Piss On Your Face While You Suck On My Cock

Oh Baby Baby Won't You Rape Me  
Won't You Fantasize  
About The Time When We Were Lovers  
I Tried To Phone You  
Try To Warn You But No Compromise  
I Grabbed Your Ass Under The Covers

Come Eat Some Chemicals With Me  
Come Eat Some Chemicals  
Come Eat Some Chemicals With Me  
Come Eat Some Chemicals

Madness  
Feeling Scared  
Looking Around And Nobody There  
When I Say Fuck The World Lets Get Ready To Rock  
As I Piss On Your Face While You Suck On My Cock

Madness  
No One Cared  
Looking Around And Nobody There  
When I Say Fuck The World Lets Get Ready To Rock  
As I Piss On Your Face While You Suck On My Cock

Come Eat Some Chemicals With Me  
Come Eat Some Chemicals  
Come Eat Some Chemicals With Me  
Come Eat Some Chemicals

Come Eat Some Chemicals With Me  
Come Eat Some Chemicals  
Come Eat Some Chemicals With Me
