

# Scars On Broadway, Stoner Hate

Super-cala-fra-jalistic-expi-ela-docious

Is a word to me, mama mia

Losing all my patience with all these

Fabrications

It's so easy to say, easy to say

When you sing LA LA LA LA LA

Stoner hate has got your back

California's been invaded by a hippie

Psychopath

When you sing LA LA LA LA LA

Stoner hate has got your back

California's been invaded by a hippie

Psychopath

Cause I'm rude, obnoxious, with an intent

To kill

Rude, obnoxious, with an intent

To kill

Super-cala-fra-jalistic-expi-ela-docious

Is a word to me, mama mia

Losing all my patience with all these
