

# Scary Kids Scaring Kids, Empty Glasses

Faded pictures of the life that I once loved  
With the flash, the moments gone  
I gave up all I had for  
Something that never brought me any comfort now  
I've been lost too long

[Chorus:]

Deny it, but I am alone here  
I always feared this place  
I never thought it'd end this way  
Deny it, but I am alone  
Another nameless face  
Deny it, but I am alone here  
I always feared this place  
I never thought it'd end this way  
Deny it, but I am alone  
Please don't forget my name  
Deny it, but I am alone

Empty pages haunt me and  
I can't move on  
The words I never said were wrong  
I never needed to feel connected  
And now I'm only loved by empty glasses  
It's gone on too long  
I need to find a way to just move on

[Chorus:]

Deny it, but I am alone here  
I always feared this place  
I never thought it'd end this way  
Deny it, but I am alone  
Another nameless face  
Deny it, but I am alone here  
I always feared this place  
I never thought it'd end this way  
Deny it, but I am alone  
Please don't forget my name  
Deny it, but I am alone

I'm tired of you wishing me the best of luck  
It's a long ride home, a long ride home

[Chorus:]

Deny it, but I am alone here  
I always feared this place  
I never thought it'd end this way  
Deny it, but I am alone  
Another nameless face  
Deny it, but I am alone here  
I always feared this place  
I never thought it'd end this way  
Deny it, but I am alone  
Please don't forget my name  
Deny it, but I am alone
