

# Scatterbrain, Mama Said Knock You Out

Don't call it a comeback  
I been here for years  
Rockin' my peers  
Puttin' suckers in fear  
Makin' the tears rain down like a monsoon  
Listen to the bass go boom  
Explosion, overpowerin'  
Over the competition, I'm towerin'  
Records shock  
When I drop these lyrics  
That'll make you call the cops  
Don't you dare stare  
You betta move  
Don't ever compare me to the rest  
They'll all get sliced and diced  
Competition's payin' the price  
(CHORUS)  
I'm gonna knock you out  
Mama said knock you out  
I'm gonna knock you out  
Mama said knock you out  
I'm gonna knock you out  
Mama said knock you out  
I'm gonna knock you out  
Mama said knock you out  
Don't you call this no regular jam  
I'm gonna rock this land  
I'm gonna take this itty-bitty world by storm  
And I'm just getting warm  
Just like Mohammad Ali, they called him Cassius  
Watch me bash this beat like a skull  
Dontcha know I gotta beef wit'  
Why don't you rip with me, the maniac psycho  
'cause when I pull out my jammy, get ready 'cause it might go  
Blauh!  
How do you like me now?  
The reverend will not allow  
you to get wit' Mr. Smith don't risk  
Listen to my gear shift.  
I'm blazin', outlastin'  
Colors like shaft, so you could say I'm shaftin'  
Old English fill my mind and I came up with this funky rhyme  
(REPEAT CHORUS)  
Shadow boxin' when I heard you on the radio  
I just don't know  
What made them forget that I was raw  
But now I gotta new toy  
I'm going insane  
Frontin' the hurricane  
Releasin' pain  
Lettin' you know  
You can't gain or maintain  
Unless you say my name  
Rippin'  
Killin'  
Diggin' and drillin' a hole  
Well I'll pass your goal  
(REPEAT CHORUS)  
Shotgun blasts are heard  
When I rip and kill at will  
The man of the hour, tower of power  
I will devour  
I'm gonna tie you up and let you understand  
That I'm not your average man

When I gotta jammy in my hand  
Damn  
Ooh  
Listen to the way I slay your crew  
Damn it  
Damn it  
Damn it  
Damn it  
Destruction, terror and mayhem  
Pass me a .... I'll slay him  
Farmers (WHAT)  
Farmers (WHAT)  
Ready? (READY)  
I think I'm gonna bomb a town  
Don't you never, ever  
Pull my lever  
'Cause I explode  
And my nine is easy to load  
I gotta thank God  
'Cause he gave me this chance to rock  
Hard... knock you out  
(REPEAT CHORUS)
