

Scene 23, All This Love

Oh
I had some problems
And no one could seem to solve them
But you found the answer
You told me to take this chance
And learn the ways of love my baby
And all that it has to offer
In time you will see that love won't let you down

You said that you loved me
And hurt only came to pass me
It sounded so convincing
See I gave it half the chance and

Learn the ways of love my baby (and learn the ways of love)
There is so much love inside me
All that I have I give my own to you
Oh

All this love is waiting for you
Is it really love baby (love baby)
Or really like honey (my honey)
All this love is waiting for you

I had some problems
And no one could seem to solve them
But you found the answer
And I gave it half the chance

Learn the ways of love my baby (and learn the ways of love)
There is so much love inside me
All that I have I give my own to you
Yeah

All this love is waiting for you
(My baby, my honey)
All this love is waiting for you (my honey)
All this love is waiting for you
(my love this way is growing stronger every day my baby)
All this love is waiting for you
(and after all I put myself through I found out all I really needed was you)
(my honey, hey)

Say you really love me baby
Say you really love me honey
Cause I really love you baby
More than I love you honey (won't you say it)
Say you really love me baby
Say you really love me honey (say you really love me)
Oh, cause I really love you baby
More than I love you honey

Say you really love me baby (as the sun has its rays up in the sky)
Say you really love me honey (say you really love me)
Cause I really love you baby
More than I love you honey (I love you so hear me)
Say you really love me baby (I'm just sayin' there's no need to wonder why)
Say you really love me honey
I need you, please hear me

All this love is waiting for you
