

Scenes And Sirens, I'll Make The Moves

You're in a world of trouble
I can just see it now
you're taking these chances like teenage romances,
and i can't believe you're brushing it off,
like my heart's on your sleeve.

And we will make the mistakes we did,
when we were younger,
falling harder than ever,
Cause you, you never see,
that he's two-timing you,
as you play on your own,
sorry,
you're all sorry
all

Come on, come on
let's go a little faster
well i'll make the moves and you'll make the news
Cause I'm so sorry that you're all alone
I'm a fighter, you're a lover
Come on, come on
let's go a little faster
well i'll make the moves and you'll make the news
Cause I'm so sorry that you're all alone
I'm a fighter, you're a lover

As the smoke comes from your lips,
and we share our last sacred kiss.
I ask is cheating and fighting and someone else on your mind
Oh,
cause maybe it's just the force fallin hope
and I could just say a romantic joke
But i swear i could never forget your eyes
and I feel it's time

Come on, come on
let's go a little faster
well i'll make the moves and you'll make the news
Cause I'm so sorry that you're all alone
I'm a fighter, you're a lover
Come on, come on
let's go a little faster
well i'll make the moves and you'll make the news
Cause I'm so sorry that you're all alone
I'm a fighter, you're a lover

Well loose lips
and loosing fingertips on every inch of her skin,
she's falling apart with my pretentious green eyes
and seeing her vulumptous thighs
And her clothes on the floor next to my bed
she screams
I can't believe what she just said
You just don't know

Come on, come on
let's go a little faster
well i'll make the moves and you'll make the news
Cause I'm so sorry that you're all alone
I'm a fighter, you're a lover
Come on, come on
let's go a little faster
well i'll make the moves and you'll make the news

Cause I'm so sorry that you're all alone
I'm a fighter, you're a lover
