girl who loves to dream
lives her life to the extreme with adrenaline
never had a life
and she plays hard through the night
in the game of up & down

la lalalalaa lalalalaa lalalalalalalalalalalalalaaa lalalalalaaa

girl who longs to explore
with the fruit down to the core
but she wanted more yes she wanted more
if you're gonna crash and burn
be prepared to take your turn in the game of up & down
yeahh up & down

la lalalalaa lalalalaa lalalalalalalalalalalalalaaa lalalalalaaa
la lalalalaa lalalalaa lalalalalalalalalalalalalaaa up & down

from light's path you strayed
your dreams will show you the way
time will take your fears away
