

Scepter, Fucking Metal Motherfuckers

We are the sons of the all-seeing eye
We got our backs to the wall
We live to conquer and divide
None too weak to stand a fall
Fucking metal motherfuckers
We're on the move tonite
Our women are fine and our leathur is clean
Everything's alright
To comprehend what we all know
You must step out of your mind
Break the hold of humanity's grip
And transcend all mankind
Fucking metal motherfuckers
Pledge allegianceto yourself
Condem the souls of those who won't
And send them straight to hell
The life i live which i lead
Is drunk and stoned and high
And that's the way it's gonna be
Until the day i die
Fucking metal motherfuckers
Set fire to the sky
Burn its way into our hearts
And never let it die
