

# Schizma, Maintain

I still maintain my stand in this h.c. game  
Against all odds I keep living my life this way  
Disappointed with who I thought would never change  
Gotta stick to the spirit, that's still the same  
To do what I gotta do, I've never failed  
'Cause I, I still maintain  
Set my goals straight  
Hope I won't give up  
Down but not out  
Keepin' my head up  
Times are changing, kids get bored fast  
But I'm too old used to my ways  
Remember the good old days, how could I change?  
To do what I gotta do, I've never failed  
'Cause I still maintain  
Set my goals straight  
Hope I won't give up  
Down but not out  
Keepin' my head up  
I still maintain my stand in this h.c. game  
Against all odds I keep living my life this way
