

# School Of Fish, Euphoria

Don't you know that a punching bag  
It don't feel any pain  
And I know that it's all my fault  
So I'll try not to complain  
And a heart can only break  
So many times  
So why do you feel the need  
To see what you can do to mine

But I'm putting down my guard  
'Cause I've been here before  
And you can come back again and again  
But you can't, no you can't  
No you just can't hurt me anymore  
'Cause I'm in euphoria  
Euphoria, I'm in euphoria

And don't you know that a painted smile  
It don't turn that easily  
And I don't know where you are now  
But what I don't know can't hurt me  
It sounds sad but the rain don't know  
What the sunshine is like  
And if you asked me to wait for you  
And don't you know that a painted smile  
It don't turn that easily  
And I don't know where you are now  
But what I don't know can't hurt me  
It sounds sad but the rain don't know  
What the sunshine is like  
And if you asked me to wait for you  
I just probably might  
I just probably might

Now I'm putting down my guard  
'Cause I've been here before  
And you can come back again and again  
But you can't, no you can't  
No you just can't hurt me anymore  
'Cause I'm in euphoria  
Euphoria, I'm in euphoria

And I'll cry until I laugh  
While you keep coming back again and again  
'Cause I'm in euphoria  
Euphoria, I'm in euphoria
