

School Of Fish, Three Strange Days

[Pitched voice:] Always lived my life alone,
Been searching for the place called home.
I know that I've been cold as ice,
Ignored the dreams, too many lies.
Somewhere deep inside, Somewhere deep inside me,
I found ... the child I used to be
And I know that it's not too late
Never too late...

3 AM!

The painted cow !

Hiaaaaa!!

You ain't stoppin` us now !

Wonderful human beings

Yeah ! I am the Junglist souldier.

Come On! The rocket launcher stops ya.

It's not a bird, it's not a plane

It must be Dave who`s on the train

Wanna wanna get'cha, gonna gonna get'cha

Tell them that I told ya

YEAH!

[Pitched voice:] Always lived my life alone,
Been searching for the place called home.
I know that I've been cold as ice,
Ignored the dreams, too many lies.
Somewhere deep inside,
Somewhere deep inside me,
I found ... the child I used to be
And I know that it's not too late
Never too late...

Allright

Are you ready ? It's not a game.

I chant so much, I turn you insane.

Wanna wanna get'cha, gonna gonna get'cha

Messing up the area

YEAH!

Come On !

Messing up the jam !

Turning up the stereo

Join the caravan

Skippy, the rain won`t come !

[Pitched voice:] Somewhere deep inside,
Somewhere deep inside me,
I found ... the child I used to be
And I know that it's not too late
Never too late...
