School Of Fish, Three Strange Days

[Pitched voice:] Always lived my life alone,

Been searching for the place called home.

I know that I've been cold as ice,

Ignored the dreams, too many lies.

Somewhere deep inside, Somewhere deep inside me,

I found ... the child I used to be

And I know that it's not too late

Never too late...

3 AM!

The painted cow!

Hiaaaaa!!

You ain't stoppin` us now!

Wonderful human beings

Yeah! I am the Junglist souldier.

Come On! The rocket launcher stops ya.

It's not a bird, it's not a plane

It must be Dave who's on the train

Wanna wanna get'cha, gonna gonna get'cha

Tell them that I told ya

YEAH!

[Pitched voice:] Always lived my life alone,

Been searching for the place called home.

I know that I've been cold as ice,

Ignored the dreams, too many lies.

Somewhere deep inside,

Somewhere deep inside me,

I found ... the child I used to be

And I know that it's not too late

Never too late...

Allright

Are you ready? It's not a game.

I chant so much, I turn you insane.

Wanna wanna get'cha, gonna gonna get'cha

Messing up the area

YEAH!

Come On!

I am the freshman

Messing up the jam!

Turning up the stereo

Join the caravan

Skippy, the rain won't come!

[Pitched voice:] Somewhere deep inside,

Somewhere deep inside me,

I found ... the child I used to be

And I know that it's not too late

Never too late...
