## SCOOTER AND VASSY, Radiate

Standing in a crowd of a thousand faces People think I'm weird But I'm holding aces So don't look down Everything you need is Right here, right now Just surrender to the buzz If you feel it Let it go, forget it all just be it Radiate, radiate, radiate That feeling Radiate, radiate, radiate That feeling... You want it You need it I aot it That feeling

I'm getting wild And I don't need the reason I don't change No matter what the season So take a chance Give it all you got Got right here, right now Just surrender to the buzz If you feel it Let it go, forget it all just be it Radiate, radiate, radiate That feeling Radiate, radiate, radiate That feeling... You want it You need it I got it That feeling
