

# Scooter, Expecting More From Ratty

We still represent ... represent.

I can't change I just wanna do it.  
On the microphone just get into it.  
Come on tonite from left to right.  
Everybody now get ready for the night.  
Tough like steel and dangerous, we gonna rock the house, it's still like this.  
No time to chill so keep on moving, get into the place, MC is grooving.

Expecting more from Ratty.  
Expecting more from Ratty.  
Expecting more from Ratty.  
Expecting more.

As a matter of fact in '92.  
I can't explain. It's up to you.  
If you know what I mean it's the freaky scene.  
And things have changed a lot in between.  
So come on tonite and let them go.  
For those about who left the show.  
I recommend to join the case.  
The last call to rock the place.  
Expecting more from Ratty.  
Expecting more from Ratty.  
Expecting more from Ratty.  
Expecting more.

We still represent ... represent.
