Scooter, I'll Put You On The Guestlist

I orginate

You must appreciate, all the others imitate

Yeah!

You're my crowd and I want you tonite I am sure this tune makes you feel right No discussion, disturbing your mind Feel the vibes leave those troubles behind Five years now it's along time to go Check our records that you still don't know Get prepared for the next decade Join the crew 'cause it's never too late Yeah! Yes!

Yeeeahh,yeeeahh Come on Here we go!

AAARRRGGGGHHHH!

I'll put you on the guestlist I'll put you on the guestlist I'll put you on the guestlist Yeah!

All right.

Right now: I orginate, you must appreciate, all the others imitate Yeah!

There is one thing that you have to learn
Our mission is we love the jam
Up on the stage or down on the floor
We can't stop we always need more
Five years now it's along time to go
Check our records that you still don't know
Get prepared for the next decade
Join the crew 'cause it's never too late
Come on
Yeah

Come on Yeah I'll put you on the guestlist I'll put you on the guestlist Yes! I'll put you on the guestlist I'll put you on the guestlist

...Thank you!
