

# Scorpions, Dark Lady

(Ulrich Roth)

Sitting alone in the doghouse  
Thinking of you all the time  
Sighing, crying  
Sitting alone in the doghouse  
Thinking of you all the time  
Sighing, crying

Dark lady

Sitting alone by my window  
Counting the stars of the night  
Waiting, hating  
Sitting alone by my window  
Counting the stars of the night  
Waiting, hating

Dark lady

Sitting and watching the sunrise  
Darkness is filling my eyes  
Sighing, crying  
Sitting and watching the sunrise  
Darkness is filling my eyes  
Sighing, crying

Dark Lady
