

# Scorpions, Fallin In Love

I look in your eyes, I really think you're fooling me  
You're pretty and nice, it doesn't matter don't you see  
'cause I falling in love, it happens to me every day  
I'm falling in love, love just seems to slip away  
I'm falling in love  
Ooh, ooh  
I'm falling in love  
Ooh, ooh  
I'm falling in love  
Ooh, ooh  
Don't tell me your lies, I don't believe a word you say  
You do realize, I move around from day to day  
And I'm falling in love, it happens to me every day  
I'm falling in love, love just seems to slip away  
I'm falling in love  
Ooh, ooh  
I'm falling in love  
Ooh, ooh  
I'm falling in love  
Ooh, ooh  
I'm falling in love
