

# Scorpions, Far Away

(Rudolf Schenker, Michael Schenker, Klaus Meine)

Take your hand and you take my hand  
Let's try to learn to fly  
Here what I say, here what I say  
Dream and close your eyes

Too much hate  
Too much hate  
So many things are wrong  
So many ways, so many ways  
Flying through the sky forever  
into another time

Yesterday so far away  
Many miles together  
Were looking for a way

Day by day  
So far away  
All the world  
To do the same

So we go together  
Will you show me the way  
Time has gone  
It has gone

Far away, far away

And today  
I'll see a way  
Follow me we love you  
Just listen, what I say

Forget your name and yesterday  
Put out your hand  
I'll do the same

Now were going to another land  
Will you show me the way  
Time has gone  
It has gone far away  
Far away
