

Scorpions, Hate To Be Nice

(Rudolf Schenker, Klaus Meine)

Hey baby, listen up
I'm not in love with you
You keep runnin' off at the mouth
And someone else can scratch my back
And I could care less about your legs
I just wanna see 'em walk all over me

I'm runnin' out of patience
And I ain't gonna say it twice
The world out there is down'n dirty, honey
And I just hate to be nice

So don't think about movin' any closer, baby
Just forget about it
You body may be a weapon on legs
But hey, I'm not fallin' for that
Don't you get it, I'm not impressed at all
I just wanna see you crawl all over me

I'm runnin' out of patience
And I ain't gonna say it twice
The world out there is down'n dirty, honey
And I just hate to be nice

Don't you understand
Don't you understand

Tell me when your eyes say yes
How can your lips say no
A girl like you shouldn't be surprised
It's just I hate to be nice

I'm runnin' out of patience
And I ain't gonna say it twice
The world out there is down'n dirty, honey
And I just hate to be nice
