

Scorpions, Here In My Heart

(Music & Lyrics: Diane Warren)

Sometimes there's a time you must say goodbye
Though it hurts you must learn to try
I know I've got to let you go
But I know anywhere you go
You'll never be far
'Coz like the light of a bright star
You'll keep shining in my life
You're gonna be right

Here in my heart
That's where you'll be
You'll be with me
Here in my heart
No distance can keep us apart
Long as you're here in my heart

Won't be any tears falling from these eyes
'Coz when love's true love never dies
It stays alive forever
Time can't take away what we have
I will remember our time together
You might think our time is through
But I still have you

Here in my heart
That's where you'll be
You'll be with me
Here in my heart
No distance can keep us apart
Long as you're here in my heart

I know you'll be back again
And 'till then
My love is waiting

Here in my heart
That's where you'll be
You'll be with me
Here in my heart
No distance can keep us apart
Long as you're here in my heart
