## Scorpions, Lonely Nights

(Rudolf Schenker, Klaus Meine)

Since you're gone There is an empty space Since you're gone The world is not the same

I go back to the places we've been It feels like you're still there I live all those moments again Wishing you were here

Since you're gone There is an lonely heart Since you're gone Nothin' is like it was

There are memories all over the place Bringin' it back all so clear Remember all of those days Wishing you were here

All those lonely nights I gotta fight for you, yes I do Yes I do

Since you're gone There is a heart that bleeds Since you're gone I'm not the man I used to be

I follow you steps in the snow The traces disappear We know what we've lost when it's gone I'm wishing you were here

All those lonely nights I gotta fight for you, yes I do Yes I do
