

# Scorpions, Suspender Love

Ah, you turn me on  
I feel the biggest part of yours  
Ah, ah there's something more  
So much more baby  
Ah, I can't be cool  
It's getting stronger every day  
Well, yeah, ain't choosin' you  
I cut him out baby  
Give me the long faced girl on the magazine  
Show me the white rolls royce in the rain  
Give me the long faced girl on the magazine  
Show me the white rolls royce in the rain  
I can't get enough  
Too hard a body drives me mad  
Oh yeah it's like a drum  
To stay in love baby  
Give me the long faced girl on the magazine  
Show me the white rolls royce in the rain  
Give me the long faced girl on the magazine  
Show me the white rolls royce in the rain  
Ah, ah, oh yeah  
Ah, ha, ah, ha, ha  
Oh baby yeah  
Give me the long faced girl on the magazine  
Show me the white rolls royce in the rain  
Give me the long faced girl on the magazine  
Show me the white rolls royce in the rain
