

# Scorpions, The Zoo

(Rudolf Schenker, Klaus Meine)

The job is done and I go out  
Another boring day  
I leave it all behind me now  
So many worlds away

I meet my girl, she's dressed to kill  
And all we gonna do  
Is walk around to catch the thrill  
On streets we call the zoo

We eat the night, we drink the time  
Make our dreams come true  
And hungry eyes are passing by  
On streets we call the zoo

We eat the night, we drink the time  
Make our dreams come true  
And hungry eyes are passing by  
On streets we call the zoo

Enjoy the zoo  
And walk down 42nd Street  
You wanna be excited too  
And you will feel the heat

We eat the night, we drink the time  
Make our dreams come true  
And hungry eyes are passing by  
On streets we call the zoo

We eat the night, we drink the time  
Make our dreams come true  
And hungry eyes are passing by  
On streets we call the zoo
