

# Scorpions, When I Lay My Bones to Rest

Here comes a brother from another mother  
Storming out into the light  
We're speeding up the pace, cutting to the chase  
It's gonna be a hell of a ride

Hey, let's rock it, hey, let's rock it, hey  
Friends will be friends  
Hey, let's rock it, hey, let's rock it, hey  
You gotta raise your hands  
Let me see your hands

Here comes a brother from another mother  
Ready for the Scorpions dance  
We're rocking out for days, no limit anyways  
You cannot stop a Mercedes Benz

Hey, let's rock it, hey, let's rock it, hey  
Friends will be friends  
Hey, let's rock it, hey, let's rock it, hey  
Here comes the gang  
Watch out for the gang

Rising to the top  
I'm giving it all I've got  
Someday, I'm up there with the best  
When I lay my bones to rest  
When I lay my bones to rest  
When I lay my bones, lay my bones  
Lay my bones to rest

Here comes a brother from another mother  
The bad boys are running wild  
Around the world again, catch me if you can  
We gotta keep the spirit alive

Hey, let's rock it, hey, let's rock it, hey  
Friends will be friends  
Hey, let's rock it, hey, let's rock it, hey  
You gotta raise your hands  
I wanna see your hands

Rising to the top  
I'm giving it all I've got  
Someday, I'm up there with the best  
When I lay my bones to rest  
When I lay my bones to rest  
When I lay my bones, lay my bones  
Lay my bones to rest

Rising to the top  
I'm giving it all I've got  
Someday, I'm up there with the best  
When I lay my bones to rest  
When I lay my bones to rest  
When I lay my bones, lay my bones  
Lay my bones to rest
