

Scorpions, When Love Kills Love

(Music: Rudolf Schenker; Lyrics: Klaus Meine, Rudolf Schenker)

When love kills love

Suddenly I think I always knew
I had my share of mistakes
Made quite a few
Finally I know and that's for sure
I don't look back in anger anymore

Suddenly the sun comes up again
There's a new beginning
When we pass the end
Finally I know and that's for sure
I don't look back in anger anymore

When love kills love
Will someone rescue me
When love kills love
It's cutting through so deep

Suddenly I wake up from the dream
Someone tells me
I've been talking in the sleep
Finally I know and that's for sure
I don't believe in daydreams anymore

When love kills love
Will someone rescue me
When love kills love
It's cutting through so deep
Well life goes 'round
And upside down
It's pretty mad

When love kills love
Will someone set me free
When love kills love
It's cutting through so deep
How can we choose
When all we lose
Is all we have

We run away
From all the pain
We run away
From all the pain

When love kills love
Will someone rescue me
When love kills love
It's cutting through so deep

When love kills love
When love kills love
When love kills love
When love kills love
