

Scorpions, Your Light

(Ulrich Roth)

When you're feeling lost and blue
When there is no love for you
You'll find him and it's all right
It's all right, it's all right

When you're feeling down and low
When you've got no place to go
And when no one smiles hello
He's by your side, you know

When you're getting deaf and blind
When you drag one leg behind
And when you're finally gonna
Lose your mind
It's all right, it's all right
It's all right

'Cause he is by your side
'Cause he will be your guide
'Cause he will be your light
And you're not alone, you're not alone
You're not alone, you're not alone
