

Scott Cain, I've Got A Crush On Hilary Duff

I got your poster on the wall,
I see your movies - seen them all!
Saw you on the cover of a magazine,
Britney is so yesterday, you know what I mean?

I love her as Lizzy, she makes me dizzy everytime!

Chorus:

I've got a crush on Hilary Duff
Kids' on the block they're sayin' she's got the right stuff
I've got a crush on Hilary Duff
And all the songs I sing a long
She's really really got it goin on
Yeah shes really got it goin on

Can't get enough of that wonderful Duff!
I watch her all the time on the tv and stuff,
I'd send you flowers if I knew where you live?
I'd give you presents if I knew what to give?

I love you as Lizzy, you make me Dizzy everytime!

Chorus:

I've got a crush on Hilary Duff
Kids' on the block they're sayin' she's got the right stuff
I've got a crush on Hilary Duff
And all the songs, I sing a long
She's really really got it goin' on
Yeah shes really got it goin' on

Oh she's really got it goin' on

I've got a crush on Hilary Duff
Kids' on the block they're sayin she's got the right stuff
