

# Scott Walker, Easy Come Easy Go

Easy come, easy go  
That's the way if love must have its stay  
Then ours, it came-  
Let it go

No remorse, no regret  
We should part exactly as we met  
Just easy come, easy go

We never dreamt of romantic dangers  
Now that it ends- let's be friends  
And not two strangers

Easy come, easy go  
Here we are, so darling: au revoir  
Easy come, easy go
