

Scott Walker, Just One Smile

Can't I cry a little bit?
There's nobody to notice it
Can't I cry if I want to?
No-one cared

Why can't I pretend
That you loved me again?
All I've had has been taken from me
Now I'm cryin' and my tears don't become me

Just one smile - the pain's forgiven
Just one kiss - the hurt's all gone
Just one smile to make my life worth living
A little dream to build my world upon

How I wish I could say
All the things that I wanna say
If some way you could see what's in my heart
I don't ask for much - a look, a smile, a touch
Try to forget, Lord knows I'm tryin';
But it's hard to forget when your whole world is dyin';

Just one smile - the pain's forgiven
Just one kiss - the hurt's all gone
Just one smile to make my life worth living
A little dream to build my world upon

One smile - all forgiven
One kiss - the hurt's all gone
Just one smile to make my life...
