

Scott Walker, The Look Of Love

The look of love is in your eyes
A look your smile can't disguise
The look of love is saying so much more than words could ever
say
And what my heart has heard, well- it takes my breath away

I can hardly wait to hold you, feel my arms around you
How long I have waited, waited just to love you
Now that I have found you

You've got the look of love, it's on your face
A look that time had erased
Be mine, tonight
Let this be just the start of so many nights like this
Let's make lover's vow and then seal it with a kiss

I can hardly wait to hold you, feel my arms around you
How long I have waited, waited just to love you
Now that I have found you

Don't ever go
Don't ever go
I love you so...
