

Scott Walker, Till You Return

We said goodbye and so will part,
but I'll still hold you in my heart.
I love you, I love you,
I'll miss you, till you return.

I hope you write me every day,
I'll suffer so when you're away.
I love you, I love you,
I'll miss you, till you return

Oh my darling how I miss you,
I pray you won't find someone new.
I miss you and your loving charms,
I'll be so glad when you're back in my arms.

So now you're gone and I'm still here,
but still you'll know that I'm sincere.
I love you, I love you
I'll miss you till you return.
Till you return...
