

# Scott Walker, When You See Her

When you see her, you&#039;ll know what I mean.  
When you see her she&#039;s more than a dream.  
She&#039;s my heaven, my paradise of love.

When you see her, she&#039;s just my ideal,  
she&#039;s too lovely, to truly be real.  
She&#039;s a wonder, my paradise of love

And I know, when we&#039;re alone,  
hey I&#039;m so happy that she&#039;s my own.  
Her smile is warm as May,  
and I hope to say, we&#039;ll wed one day.

When you see her, you&#039;ll know what I mean.  
When you see her, she&#039;s more than a dream.  
She&#039;s my heaven, my paradise of love.  
My paradise of love.  
My paradise of love.
