Scott Weiland, Fame

What's your name? What's your name? What's your name?

Fame, makes a man take things over Fame, lets him loose, hard to swallow Fame, puts you there, where things are hollow Fame

Fame, it's not your brain, it's just the flame That burns your change just to keep you in, sane Fame

Fame, what you like is in the limo Fame, what you get is no tomorrow Fame, what you need, you have to borrow Fame

Fame, nine it's mine, is just his line To bind your time, it turns you to, crime Fame

What's your name? What's your name? What's your name?

Is it any wonder, I reject you first?
Fame, fame, fame, fame
Is it any wonder, you are too cool to fool?
Fame

Fame, bully for you, chilly for me Got to get a rain check on, pain Fame

Fame, fame, fame, fame, fame, fame Fame, fame, fame, fame, fame Fame, fame, fame, fame, fame

What's your name? What's your name?
