

Scott Weiland, Hyper-Fuzz-Funny-Car

{{Song||Scott Weiland|star=Green}}

White heat, red light, fast cars
Fuel tank explode, death stars

Come on baby, come on baby, give me some action

Flash burns your eyes and they bleed
You lost control of the wheel
Don't crash the car this evening
Just crash the car and die.

Come on Johnny, win the race of the ages
Come on Johnny, win the race of your life

Feel slow, I'm sinking
Keep falling, can't hide
Feel slow, I'm sinking
I'm burning alive
Try (Come on baby, come on baby, give me some action)
Die (Come on baby, come on baby, give me some action)

Flash burns your eyes and they bleed
You lost control of the wheel
Don't crash the car this evening
Just crash the car and die.
