

Scott Weiland, Son

Coolness is staring at the sun
Coolness is driving with my son
Time and time again I'm not the man
Time and time again I'm not the one

Now go to sleep you little...child of mine
I wish I had the beauty...you hold inside
Now go to sleep you little...boy of mine
You make my world a better...place to find

Coolness is staring at the sun
Coolness is driving with my son
Time and time again I'm not the man
Time and time again I'm not the one

Now go to sleep you little...child of mine
I wish I had the beauty...you hold inside
Now go to sleep you little...boy of mine
You make my world a better...place to find

Now go to sleep you little...child of mine
I wish I had the beauty...you hold inside
Now go to sleep you little...boy of mine
You make my world a better...place to find
