

Scotti Nick, Feel The Need

Written by Nick Scotti and Rick Bottari

My friend, if I could
I'd show you the way
Pave for you a better road
Toward a brighter day
We don't know our destiny
But I believe in hope
Sometimes when I talk to you
I feel you giving up
You need to be strong
Things in life do go wrong
'Cause you've got so much to give
Time to wipe away the fear
And start to live

CHORUS:

If you ever feel the need
You know you can always count on me
I'm your friend and you are mine
For you I will always find the time
If you ever feel the need
You know you can always call on me
I'm your friend and you are mine
For you I will always find the time
My friend If I could
I'd set you free
From what keeps you in the dark
It would mean so much to me
Open up your lonely door
I wish I found the key
Trapped inside your sorry home
All you want is to be alone
You're the only one that can help yourself
You need to be strong
Things in life do go wrong
'Cause you've got so much to give, that's right
Time to wipe away the fear
Forget the hurt get into life

CHORUS (X2)

When you feel this way
I feel the same way too
Do you remember happiness
Gotta get it back to you, you
I'm here for you everyday
Anytime, in every way

CHORUS (X3)
