## Scream Girls, Join!

We are not team,
Because yet from nobody, we do not fight.
We are package,
We are simply together, on good and on bad.
We will accept every,
who to us will add,
So as accept me,
Mutually.
Add! Extra at us is -
We judge so.
But many persons are careful, that we are odd. We understand this.
One is sure -
We are different simply.
The freedom of word at us reigns,
style, fancies.
We do not wash out, who with us is better.
We are even yet.
There are no boss and him deputies.
Every rules with one's life here,
And nobody is going to rule for him.
We do not cross out anybody,
because he made something bad.
Every can do mistake.
Erring this yet
the most human thing.
Add!
Ale remember that this is not suggestion nor order.
This is only proposal.
And only one condition is, to addition.
It from the rest will not be problem.
You have us to accept.
So as we will accept you.
We do not tell, that this easy,
Surely beginning,
science of liking different,
they such what are,
it will not be simple.
Ale you will advise me.
And you will see -
it was it been possible to love all.
You only will screw up eye,
irritating on them features and
you will see,
only on these the most beautiful -
and many has every them.
JOIN! If you only want! ! Add if you only need and have readiness.
