

Screaming Monkey Boner, Wesley Willis

Wesley Willis you are a rock star to the max
You are the inspiration for my life
you are my favorite musician, you are my hero
That's why this song is about you!

Wesley Willis

You are the man,
you kick Fiona apples skinny little booty
you are cooler then Dracula
I would eat a bug to lick the sweat from your ass
now scream because you're good...
AHHHHHHHAHAHHAHAH
