

# Screaming Trees, Make My Mind

Take a minute just to breathe  
Take a minute 'till I'm wide awake  
And I'm searching' once again  
And the sun has left the sky  
And you're on my mind  
And you're on my mind  
Take a second to believe  
Just a second you won't have to wait  
Don't ya turn your back on me  
I couldn't look into your eyes  
And I don't know why  
And I don't know why  
But I'll try again on another day  
You make my mind  
Just wanna leave this world behind  
You make my mind (2x's)  
Let the silence creep in  
(Let the silence creep in)  
In the silence I'm awake all night  
Just searching' once again  
(Searching' once again)  
Well could i reach you in the morning light  
If I closed my eyes  
If I closed my eyes  
Well you're here right away  
You make my mind...(2x's)  
You're on my mind  
I'll try again on another day  
And I don't know why (2x's)  
If I close my eyes (2x's)  
Well you're here right away  
You make my mind
