

# Screeching Weasel, Ashtray (Demo Version)

I can't pay the rent, the 20 bucks I made last week's already spent  
The landlord's at the door and  
there's dried beer and cigarette butts on the floor  
Can't seem to go to work and let some  
f\*\*ker treat me like a piece of dirt  
Get out of bed, my head is f\*\*king screwed  
And my life is really going down the tubes  
I don't know what the f\*\*k to do  
Got half a pack of cigarettes and my wallet is completely bare again  
I might be broke but I don't care,  
I just watch TV in my baggy underwear  
Monday morning 9:00, I gotta get out and start looking for a job  
I don't want a career, I got enough to deal with here  
And I shelled out my last 7 bucks for beer  
I don't know what the f\*\*k to do  
I see the room before my eyes, a rotten pizza covered up with flies  
This just ain't the life for me,  
don't wanna end up like Lenny, Jake and Jesse  
Can't seem to go to work  
and let some f\*\*ker treat me like a piece of dirt  
Get out of bed at noon, my head is f\*\*king screwed  
And my life is really going down the tubes  
I don't know what the f\*\*k to do
