

Screeching Weasel, Making You Cry

I'm sick of putting you down, pushing you around
I'm tired of making you feel like you are an eel
I tend to open my yap, make you feel like crap
And I think that you oughtta kick me out on my ass

Cause I'm tired of making you cry
Cause I'm tired of making you cry
Cause I'm tired of making you cry
I'm tired of making you cry

Why do you put up with my crybaby shit?
I sit there eating your food, I'm in a bad mood
I'm bored or mad so I verbally harass you
My way of showing my love I give you a shove, I suck

And I'm tired of making you cry
I'm tired of making you cry
Cause I'm tired of making you cry
Cause I'm tired of making you cry
Tired of being a fuck
Tired of wasting your time
